

DURATION OF WARRANTY—REGISTRATION CARD

The warranty begins on the date of purchase by the original owner. The owner must complete and return the warranty registration card or register the purchase on-line at www.heatcontroller.com and provide a receipted bill of sale as proof of warranty period. Without proof of purchase date, the limited warranty begins on the date of shipment from the factory.

This limited warranty gives you specific rights and you may also have other rights which vary from state to state. Heat Controller does not authorize any person to create for it any other obligations or liability in connection with its products. **Except as specifically provided herein, there are no warranties, express or implied, which extend beyond the description in this document. Heat Controller makes no warranty of merchantability in respect to this product and makes no warranty that this product is fit for particular purpose.**

GENERAL CONDITIONS

The above warranties are void if the Company's equipment has been damaged, misused, installed in a corrosive atmosphere, subjected to abnormal use or service, or if its serial numbers have been altered, defaced or removed, or if payment for the equipment is in default. The Company is not responsible for service to correct conditions due to misapplications, improper installation, inadequate wiring, incorrect voltage conditions or unauthorized opening of the refrigerant circuit, or for consequential damages. If the Company's equipment is installed in conjunction with cabinets, grilles, louvers, controls or other parts manufactured by others, these warranties apply only to the Company's manufactured portion of the equipment. If you have a warranty claim, notify your installer promptly. If he doesn't handle your claim, write to Heat Controller, Inc., P.O. Box 1089, Jackson, Michigan 49204. Enclose a report of inspection by your installer or service person. Be sure to include model number, serial number and date of purchase. This warranty applies only to the original owner and only to products installed in the United States and Canada.

Repair or replacement of defective parts is the exclusive remedy under this written limited warranty or any implied warranty. Heat Controller shall not be liable for incidental or consequential damages resulting from breach of this written limited warranty or any implied warranty. Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Limited Product Warranty

LIMITED (ONE YEAR) PARTS and LABOR

All parts of the EKTC and EKTH PTACs are warranted to be free from defects when installed per Heat Controller, Inc. installation instructions and in accordance with all local, state and national codes for typical PTAC installations. We will repair or replace, f.o.b. Jackson, MI, any part of the unit which proves to be defective due to workmanship or materials within the first year of installation. No reimbursement will be made for expenses incurred in making field adjustments or replacements unless specifically authorized in writing by Heat Controller, Inc.

LIMITED 2nd TO 5th YEAR SEALED SYSTEM WARRANTY

We will repair or replace, f.o.b. Jackson, Michigan, the compressor, evaporator coil, condenser coil or connecting tubing which proves to be defective due to workmanship or materials or non-repairable leaks.

LIMITED 2nd TO 5th YEAR FUNCTIONAL PARTS WARRANTY

During the 2nd through 5th years, we will provide, f.o.b. Jackson, Michigan, functional parts only on the EKTC or EKTH unit which prove to be defective due to materials or workmanship. Components covered include unit fan motor, unit mounted thermostats and thermisters, circuit boards, factory installed heaters and relays, unit blower wheel and fan propeller, reversing valve solenoid, and capacitor. The Company's obligations under this **LIMITED WARRANTY** do not include diagnostic time, shipping, labor or any transportation and reinstallation charges that may be required.
